THANKS TO ALL FATHERS!

IN LUKE 15 - is the familiar story of the prodigal son. But it's also the story countless fathers have experienced over thousands of years. Boys tend to want independence at an early age, and sometimes all the fathers can do is let them learn life's lessons the hard way.

This is true of the prodigal. He was determined to be on his own, demanding his rightful inheritance long before he was able to handle it responsibly. But, after a while, he realized his error and returned to his father ready to become a servant, unworthy of sonship any longer.

The father saw his son while he was still a long way off, having been constantly waiting and watching for this immature boy to return home. He honored his son with a robe, sandals, and a ring, all marks of sonship rather than servitude. Fathers most always welcome their rebellious sons when they come to their senses and return home.

THE YOUTH PROGRAM - is looking to refresh their supplies and room! Please follow the link to the Amazon wish list below. We thank you for your continued support of the youth program!
