## **An Altar in The World**

by

**Barbara Brown Taylor**

**The group will meet  
May 26 in the AM and  
May 28 in the PM.**

Join Chris Murphy in discussing the book *An Altar in the World: A Geography of Faith* by Barbara Brown Taylor.

Most of us spend less than a couple of hours a week in a church building. That's one thing, but how do we encounter God the rest of the week?

In *An Altar in the World*, you'll explore how to be aware of the presence of God in your everyday lives. With Taylor as your guide, you'll see how altars are present everywhere you go and in nearly everything you do as you learn to live with purpose, pay attention, slow down, and revere the world you live in. This book is available

wherever books are sold. But, Chris's favorite online stores for books

are [Thriftbooks](#) and [Better World Books](#).

There are also audiobook and e-book versions available. If you have any issues locating a copy, reach out to Chris. Location TBD Questions? Email

# Missions

On Sunday, May 10, we all enjoyed wonderfully uplifting worship by our children and all the ladies in the congregation received a gift in recognition of Mother's Day. We also recognized the contribution of mothers in foster and adoptive situations and delivered 50 gift bags to Defend the Fatherless. They send their thanks to Beyond the Word Women's Bible Study group who made this possible. See last week's story and photo on page 8. See note from Defend the fatherless at right.

With our upcoming Youth Service on Sunday, May 17, we are thinking about our High School and College kids, celebrating their achievements and supporting them in their hopes for the future.

We have also been remembering the staff and students at Palisades High School and delivered home-made luggage tags and 300 cookies during Teacher Appreciation Week – A BIG THANK YOU TO THE CRAFT GROUP AND BILL HARRAMAN for making that happen!

Thank you also to those who contributed to the Palisades Fund. We were able to donate deodorants, heating pads, feminine hygiene products, snacks and water to the Social Workers Stephanie and Estell. They regularly are approached by the most vulnerable students for food and toiletries and it is wonderful we can support them in such a practical way.

We also have the opportunity to support the wider school in volunteering opportunities. Please see the flyer at right. The school needs volunteers during Third Quarter Honor Roll Celebration (May 20-22) and final exams (June 4 -5).

## Defend the Fatherless'

### Mother's Day Gift Event

A big thank you to the amazing women of the Beyond the Word Bible class. Through their generosity and kindness, we were able to assemble 50 gift bags filled with goodies that were donated to Defend the Fatherless for their Mother's Day event on 3<sup>rd</sup> May.

As their Connection Coordinator, Elizabeth Watson said, *"You all are WONDERFUL. Thank you so much for the thoughtfulness, detail, and love put into these gifts. Your generosity is a blessing to our organization and moms in our community. Please extend our deepest gratitude for the time and care extended to our families."*

Fifty local foster mothers were recognized for all they do and through handwritten notes, from the women of Thursday's morning Bible class, know that Steele Creek

Presbyterian Church at Pleasant Hill is grateful for all they do, and we are celebrating their service and love in the lives of vulnerable children.

If you would like to be a part of the Beyond the Word class and not miss out on some great Bible study and fun activities, the ladies meet weekly during the school calendar year on Thursdays at 10 a.m. in the conference room. Set aside a little time this Fall to try them out.

Last session for this Spring is May 21.

## Poppy Program

The poppy was adopted as a symbol of freedom and blood sacrificed by troops in war-times after a teacher read the poem "In Flanders Field".

For almost a century, The American Legion Auxiliary Poppy Program has provided a way for all Americans to honor and assist past and present members of the military by wearing a poppy. The poppy flowers shared are handmade by veterans and some auxiliary members throughout the year to pass out. ONE HUNDRED PERCENT of all money collected through the poppy program is used to assist veterans or active-duty military personnel and their families when financial and/or medical needs are evident.

Members of the Post 221 Auxiliary will be out front on Sunday, May 24th, to share poppies and collect money to donate to the Charlotte USO facility housed at Char-

lotte Douglas International Airport.

The Charlotte USO is one of the busiest centers in the US! It provides multiple services for all active-duty military men and women and retired military personnel and their families. It offers complimentary snacks and beverages, as well as comfortable recliners for relaxing and a children's play area. Other amenities include desks, laptops, WIFI, Skype, phones, a library, gaming options, and toiletries. This USO has three full time staff members, assisted by over 250 volunteers!

As we celebrate Memorial Day, please consider making a donation in exchange for a poppy at our church on May 24, 2026.

Members of the Post 221 Auxiliary meet at SCPCPH on the fourth Wednesday of each month if you would like to participate. You must have had a family member that was in the military.

Please help the Auxiliary contribute to this program by offering support to the poppy program.
